Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 222.510 is amended to read:

The district officers shall forthwith deliver to the city officers the district assets and records. Uncollected taxes theretofore levied by the district become the property of the city and must be delivered to it by the county treasurer upon collection.

(2) **Notwithstanding subsection (1) of this section, a rural fire protection district, a water district, including a domestic water supply corporation, a park and recreation district, a highway lighting district, a county service district, a special road district, a road assessment district or a sanitary district or authority, lawfully organized and existing, the entire area of which becomes incorporated in a city, may continue to provide services if the continuation is proposed by petitioners in a petition for incorporation that is subsequently approved by voters in an incorporation election. At any time after incorporation, a city may cause a district to be extinguished and succeed to all the assets and become charged with all the liabilities, obligations and functions of the district if:**

(a) **The governing body of the city holds a public hearing on the question of the extinguishment, hears objections to the extinguishment at the hearing, determines that the extinguishment is in the best interest of the city and adopts an ordinance extinguishing the district;**

(b) **After the hearing, the governing body of the city refers the ordinance extinguishing the district to the electors of the city; and**

(c) **The majority of all votes cast favors that the district be extinguished.**

(3) **For the public hearing required in subsection (2)(a) of this section, the governing body shall fix a date, time and place for the hearing and cause notice of the date, time, place and**

purpose of the hearing to be published once each week for two successive weeks prior to the date of the hearing in a newspaper of general circulation in the city, and shall cause notices of the hearing to be posted in four public places in the city for a like period.

SECTION 2. ORS 221.031 is amended to read:

221.031. (1) Before circulating a petition to incorporate unincorporated territory as a city, the petitioners shall file a petition for incorporation in a form prescribed by rule of the Secretary of State with:

(a) The county clerk of the county in which the proposed city lies; or

(b) If the proposed city lies in more than one county, the county clerk of the county in which the largest part of its territory lies.

(2) The county clerk shall immediately date and time stamp the prospective petition and shall authorize the circulation of the petition when the economic feasibility statement required by ORS 221.035 is filed with the county clerk. The county clerk shall retain the prospective petition and economic feasibility statement and shall immediately send two copies of the prospective petition to the appropriate county court.

(3)(a) A petition for incorporation filed with the county clerk under subsection (1) of this section shall designate the name and residence address of not more than three persons as chief petitioners, who shall be electors registered within the boundaries of the proposed city.

(b) The petition shall contain the name of the proposed city.

(c) The petition shall [*also*] include a proposed permanent rate limit for operating taxes that would generate operating tax revenues sufficient to support an adequate level of municipal services. The tax rate limit shall be expressed in dollars per thousand dollars of assessed value. The tax rate limit shall be calculated for the latest tax year for which the assessed value of the proposed city is available.

(d) There shall be attached to the cover sheet of the petition a map indicating the exterior boundaries of the proposed city. The map shall not exceed 14 inches by 17 inches in size and shall be used in lieu of a metes and bounds or legal description of the proposed city.

(e) If the territory proposed to be incorporated is within the jurisdiction of a local government boundary commission, the petition shall be accompanied by the economic feasibility analysis required under ORS 199.476 (1). Notwithstanding subsection (2) of this section, unless the economic feasibility analysis is approved by the local government boundary commission as provided in ORS 199.522, the county clerk shall not authorize the circulation of the petition.

(f) If the petitioners propose not to extinguish a special district pursuant to ORS 222.510 (2) or a county service district pursuant to ORS 451.585 (1), the petition shall include a statement of this proposal.

(4) Each sheet of signatures shall be attached to a full and correct copy of the petition for incorporation. Not more than 20 signatures on each sheet of the petition for incorporation shall be counted. The circulator shall certify on each signature sheet that the circulator witnessed the signing of the signature sheet by each individual whose signature appears on the signature sheet and that the circulator believes each individual is an elector registered in the county. If the territory proposed to be incorporated is within the jurisdiction of a local government boundary commission, each signature sheet shall contain a statement that the economic feasibility analysis for the proposed city was approved by the boundary commission, that the analysis is available for inspection at the offices of the boundary commission and that subsequent to the gathering of the petitions the boundary commission must review and finally approve the proposal prior to submission at an election.

SECTION 3. ORS 451.585 is amended to read:

451.585. (1) Whenever the entire area of a district is incorporated in or annexed to a city in accordance with law, the district shall be extinguished and the city shall upon the effective date of such annexation succeed to all the assets and become charged with all the liabilities, obligations and functions of the district. The district officers shall forthwith deliver to the city officers the

district assets and records. Uncollected taxes theretofore levied by such district shall become the property of the city and be delivered to it by the county treasurer upon collection.

(2) Notwithstanding subsection (1) of this section, a district, the entire area of which becomes incorporated in a city, may continue to provide services if the continuation is proposed by petitioners in a petition for incorporation that is subsequently approved by voters in an incorporation election. At any time after incorporation, a city may cause a district to be extinguished and succeed to all the assets and become charged with all the liabilities, obligations and functions of the district if:

(a) The governing body of the city holds a public hearing on the question of the extinguishment, hears objections to the extinguishment at the hearing, determines that the extinguishment is in the best interest of the city and adopts an ordinance extinguishing the district;

(b) After the hearing, the governing body of the city refers the ordinance extinguishing the district to the electors of the city; and

(c) The majority of all votes cast favors that the district be extinguished.

(3) For the public hearing required in subsection (2)(a) of this section, the governing body shall fix a date, time and place for the hearing and cause notice of the date, time, place and purpose of the hearing to be published once each week for two successive weeks prior to the date of the hearing in a newspaper of general circulation in the city, and shall cause notices of the hearing to be posted in four public places in the city for a like period.

[2] **(4) Whenever a part less than the whole of a district becomes incorporated in or annexed to a city in accordance with law, the city may at any time after such incorporation or annexation cause that part to be withdrawn from such district in the manner set forth in ORS 222.524, and the provisions of ORS 222.510 to 222.580 shall be applicable to such withdrawal except that in case the district and the city cannot agree upon a division of assets or obligations and liabilities, then and in such case, either the district or the city may petition the circuit court for the county in which the city has its legal situs to determine such division.**
